4th November 1923.

My dear Mr. Mirza,

I am leaving for Madras on the 11th instant to discuss with the Madras Government the final agreement on the subject of the Krishnarajasagara dispute. As it is not possible to secure on hire motors at short notice, it will be necessary to make our own arrangements for going about. I request that His Highness may be graciously pleased to accord sanction to extend the rule about conveyance of Dewan's motor cars to this journey as a special case.

Yours sincerely,

Amin-ul-mulk  
Mirza M. Ismail, C.B.F.,  
Private Secretary to His Highness  
the Maharaja of Mysore,
